

Our expenses through March were budgeted at 55,839.00, actual expenses were 55,059.00

Our Pledged income was budgeted at 28,125.00, actual pledges received 27,069.00.

Remember in addition to pledged income we received money for books, (remember this helps our bottom line). We received gifts for flowers, \$30,000 for the year from the diocese.

Your change goes to the playground, (your change adds up and has already added over \$200 this year), And we have already received over \$12,000 in gifts to the "Home Improvement Fund."
